

LRA-Series

Single Pole Lighted Rocker & Paddle Switches

PRODUCT WEBPAGE

request sample, configure part

Since its introduction, the Corvette switch has become the barometer for versatility and performance in the miniature switch market. This lighted version features the very same self cleaning contacts, international approvals, along with a wide variety of circuits, ratings, and actuator options that make the Corvette the switch of choice for various applications.

1	10-16	125-250	6-30
Pole	Amps	VAC	VDC

Typical Applications

- HVAC
- Transportation
- Lawn & Garden
- Lighting
- Commercial Food
- Power Strip
